

Royal Global Express Inc.

November 30, 2018

To our Valued Customers,

The Ocean carriers servicing Alaska and Guam have filed with the Surface Transportation Board to take a general rate increase (GRI) of 5.0% effective December 16, 2018. As a result, Royal Global Express will implement a GRI of 5% effective January 1, 2019.

The ocean carriers annually evaluate their costs, specifically marine operations, trucking, terminal overhead, capital investments in vessels and equipment.

Please contact your Royal Global Express sales representative or customer service representative regarding questions you may have. We appreciate your business and look forward to serving you in the future.

Thank you,
Royal Global Express
