

## Mechanic Needed!

Are you a mechanic looking to be part of a great team that values safety, excellent customer service and teamwork? Do you like to diagnose, troubleshoot, maintain and repair tractors? Do you take pride in keeping tractors running smoothly and safely? If this sounds like what you are looking for, then you need to join our team. We offer a great working environment with competitive pay and benefits!

We're looking for a diesel Mechanic with at least two years of recent experience, a valid Class B driver's license, clean driving record, and a personal tool inventory of high quality tools.

Our benefits include Medical, Dental, Vision, Group Life and AD&D insurance. We also offer Paid Vacation and Sick leave, Holiday pay, Voluntary Life Insurance, 401k with company match, and Referral bonuses!

If you want to join our team, please submit your 10-year employment history in response to this ad.
