**Subject: Fuel Related Surcharge – Hawaii / Guam / Micronesia**

Dear Matson Customer:

Due to a steady increase in fuel related costs over the last 3 months, Matson will increase its fuel surcharge by 1.25 percentage points. Effective Sunday, January 21, 2018, the fuel surcharge for Hawaii service will be increased from 27.25% to 28.5%; Guam/CNMI from 27.75% to 29%, and Micronesia from 32.75% to 34%.

Matson is continuing its longstanding practice of giving its customers 30 days' notice for upward rate adjustments, and passing along decreases as soon as possible. As always, we will continue to closely monitor trends in fuel costs and adjust the surcharge accordingly.
